The screenshot shows the RAL Space website header with navigation links (Home, Facilities and Services, Science and Research, Technologies, News, Events and Publications, Missions and Projects, Careers) and a search bar. The main content area features the title "Mission to Singapore 2020" and a sub-header "Would you like to highlight your capabilities to Asian collaborators in Singapore?". Below this is a paragraph describing the mission, a photo of the Singapore skyline, and a registration link. To the right, there are two boxes: "Related Sections" with a link to "Events and conferences" and "Related Content" with a link to "RAL Space Events".
